Civ. No. 06-3728MS

Motion to Amend and to Add Docs
Back to this lawsuit and Combined
Cases. All are responsible for evidence I am
about to present. 2nd Motion is for a Speedy
Trial. 3rd Motion to be appointed Civil Counsel.

I am about to present some very serious evidence, and
I pray that your honor will see that this is an emerg-
ency case and grant my motion and all request.

I ask that the court take this case very serious,
because this is my life we are talking about.

I filed a letter to Bureau of Prisons Commissioner
Carl Danberg, and Bureau Chief Rick Kearney and
nothing has been done as of yet.

On 11-07-07 I plaintiff Al-Muhammad Al-Qasbi and my cellie Carey Carmona SBI 293006 had complained that we had no running water for 3 days, meaning we couldn't brush our teeth, wash our faces, nor shave, use the bathroom or anything. Lt. Michael Glader and S/lt Alisa Profaci knew this because they were right on the tier when the plumbers did it when they were fixing the cell next to us. water Bldg 21 D-Lower 11. We were in Lower 12. Anyway we were ticked and illegally written up for holding trays which did not warrant and isolation time, but we were sent to Iso illegally in Retaliation, because S/lt Alisa Profaci is part of my lawsuit, and this was a bias and vindictive act.

I filed grievances followed the Chain of command and no one wanted to act. (1) grievance was that I received \$300.00 a day for everyday I was in the hole, because Number 1, S/lt Profaci, Lt. Michael Welcome and Cpt. Guy Fowler Violated the Due process Clause keeping my cellie and I in confinement/solitary without opportunity to rebut charges, so we are entitled to compensatory & punitive damages, and alot of my property was lost damaged and they couldn't find it, Backbrace, Denture plates legal property, so forth. I'll save all arguments for trial.

Then I was without Proper meds 7 1/2 days asthma pumps, Proper pain meds so forth. I filed grievance for \$30.00 a day. Mental Anguish, and Inadequate treatment.

Nov. 21st 07 I came out the hole/Iso sent to Bldg 19 B-Lower 10 which my points warrant me to be on the compound, but I found out I'm on Administrative Max hold with no

explanation at all. I filed Paperwork to the Major James Scarborough, Deputy Warden David Pierce, Deputy Warden Elizabeth A. Burns whom retires Jan. 08, but I still want her held responsible as well. No-one gets through the cracks like they been doing.

I am enclosing all proper paperwork. I'm being held because of this lawsuit, and all other paperwork I've put in about seeing that justice is brought against all involved. I don't have proper access to the law library, and my Mental Health Needs and Medical needs are being met. Bogus write-ups included.

I have a Aunt in Veg. State In Md their deciding whether to take off life support waiting to hear from me which the Chaplins have not came and given me any calls, and my great uncle is In Intensive Care in VA, and my mom been sick. On Aug. 24th 07 I responded to Defendants attorney Mr. Dineen, and it was to settle or go to trial, but I've yet to get a response. I also wrote to get a Docket sheet which I still haven't gotten a response.

Please you honor grant motion and order all to respond A.S.A.P.

Sincerely Mr. Al-Muhammad Abock Shabazz

Personal Property Issue

BRIEFLY STATE THE REASON FOR THIS GRIEVANCE. GIVE DATES AND NAMES OF OTHERS INVOLVED IN THE INCIDENT OR ANY WITNESSES.

JCG Michael McCrann turned this over to Sgt Bernard Williams to investigate TV/Radio and headphones lost somewhere in Bldg 14. This has went on long enough. I had my hearing proving to have paperwork that all property is mine, now I was my property. If it can't be found I said I wanted it to be replaced or paid for. I need all my property. This issue can't no longer be delayed. Every time the Institution illegally moves me, I always go through the same crap and enough is enough. I have all proper paperwork if I left to take this further and get my property to push for small claims court. It shouldn't have come to that.

ACTION REQUESTED BY GRIEVANT: That my property is found. All my property has speaker in it TV/ports Super III Radio and some headphones. I'd like a borrowed Radio Super 3 with speaker until property is found. There are plenty of Radios in the Housing offices that you all be listen to. Radios you've Confiscated from people I know because I've personally saw them.

To Frank Keonka (Property officer)

I Al-Muhammad Aleeq Shabazz alias Mr. Roger L. Dennis Jr. SBD 0024173 am writing you about my Sylvania TV Serial No. 38512202 and my Sup 3 Radio and headphones you have over there in the property room. I had my hearing on 8-1-07 10:40am with Lt. S. Dixon, a was found not guilty because I showed proof that everything is mine, the only thing I couldn't find paperwork on was the headphones. Anyway I know I can't get my TV until I go to the MHU or back to the compound, but I am allowed to get my Radio & Roger Rainey was the one that caused all the confusion, and tried to be smart about the situation, but that's besides the point. All that is being handled thru the court system. Thank you for your attention and cooperation.

Sincerely Yours

Mr. Al-Muhammad Aleeq Shabazz
